News Release

June 9, 2009

Corporate Update

Reservoir Capital Corp. ("Reservoir" or the "Company") is pleased to announce the appointment of Mr. Alain Dumont as a Consultant and Advisor to the Company. Mr. Dumont has over 20 years experience in the development and management of conventional and renewable power projects around Europe, primarily for Belgium-based Electrobél (part of the Suez Group). Mr. Dumont holds degrees in Electromechanical Engineering from the Gramme Institute in Liège and Civil Engineering from Mons Polytechnic.

"We're delighted that Alain will be joining our team," said Miljana Vidovic, President and CEO of Reservoir, "to assist with supervising the technical work, negotiation of the grid connection and power purchasing agreements for our Brodarevo Project".

About Reservoir

Reservoir Capital Corp. is a Southeast Europe focused project generator, with a mandate to acquire undeveloped natural resource opportunities. The Company is investing primarily in renewable energy and precious metals, with currently two hydroelectric licenses and eight mineral exploration licenses in Serbia. Reservoir's common shares trade on the TSX Venture Exchange under the symbol "REO" and on the Frankfurt and Berlin exchanges under the symbol "ROC".
